Contours of the Campus

Mapping Elevation at California State University Channel Islands

Christopher Blackwell • September 2026

SATWIWA CONTOUR DETAIL

MAP INFORMATION

ELEVATION

LOW — HIGH

CUSTOM STACKED CONTOURS

Layered contour effect

Created by stacking offset contour layers to emphasize terrain and elevation.

HOW TO READ THE MAP

Closely spaced contours indicate steeper terrain; wider spacing indicates gentler slopes.

Technique adapted from a Jim Nelson ArcGIS tutorial.

0 — 0.25 — 0.5
